## VERSE 1:

From the ashes we rise, to beautiful life  
And everything is made new  
We lift up our eyes, our hands lifted high  
Your majesty is our view

## PRE-CHORUS:

We are letting go of all  
All the things that we went through  
Now we are holding on to You  
Cause You will always lead us through

## CHORUS:

Jesus we will take Your hand  
For You will lead us to the promised land  
Flying up high with You  
Over it all we're gonna soar with You

## VERSE 2:

To the lost and alone, He's calling you home  
**Bb/D**            **Eb**  
His arms are open wide  
There's freedom for all, in the name of the Lord  
His love will lift you high

## BRIDGE:

You give me beauty for ashes  
And my sorrow turns into praise  
You bring me out of the darkness  
And You fill me with joy today  
I am a new creation  
All my past has been washed away  
You lead me through every season  
You're the light that will never fade

## TAG:

I'm gonna praise You forever **(X4)**
