## VERSE 1:

This atmosphere is changing

As I begin to praise Him

The weight I've felt is lifting

His presence is so freeing

## PRE-CHORUS:

Praise will breakthrough

Drowning out every other sound

We lift our voices to You

For Your praise is the greatest sound

## CHORUS:

Early in the morning, late in the evening

Let the praises of our God

Be the number one sound

For He is greater, like no other

So let the praises of our God

Be the number one sound

## VERSE 2:

I'm blocking out all this noise

I'm listening to Your voice

Of all the things in my life

Your praise will be the headline

## BRIDGE:

(Woah) Turn up the praise again

(Woah) I feel alive again

(Woah) I'm celebrating to the rhythm of heaven

Praising forever

## TAG-CHORUS:

Early in the morning, late in the evening

Let the praises of our God

Be the number one sound

For He is greater, like no other

So let the praises of our God

Be the number one sound
