Key = E
♩ = 126 4/4

Words & music by Andy Harrison &

VERSE 1:

Turn my attention off what I see
There is a greater reality
This world around us won't last forever
In just a moment we'll be together

CHORUS:

Where Christ is seated on the throne
And you're reigning forever
I know that heaven is my home
So I'm gonna praise You like I'm there right now
There right now (woah)
I'm gonna praise You like I'm there right now
There right now (woah, woah)

TURN AROUND:

I'm gonna praise You like I'm there right now
(Like I'm there right now)

VERSE 2:

There's no more hunger and no more pain
Where every teardrop You've wiped away
I hear a sound of a celebration
With every tribe and with every nation

BRIDGE:

We join with all of creation
Singing the song that the angels sing
It is the sound of His praises
Gonna last forever, gonna last forever
We stand in awe of Your glory
Now that we're seeing You face to face
Hear all of heaven rejoicing
We lift our voices and shout Your praise

TAG:

So I'm gonna praise You like I'm there right now
There right now (woah)
I'm gonna praise You like I'm there right now
There right now (woah woah)
