VERSE 1:

I'll never leave You
I've tasted Your goodness
And nothing else satisfies
I'll love You forever
So I run to You
With arms open wide

CHORUS (single):

I'm holding You, Your holding me
This is the place, that I want to be
Close to Your heart, hearing Your voice
Lord I will stay here

VERSE 2:

Your love it runs over
I feel it's power
Hitting me like a wave
The waiting is over
So I'm diving in, to Your embrace
I'm moving in, to see Your face

CHORUS (double):

I'm holding You, Your holding me
This is the place, that I want to be
Close to Your heart, hearing Your voice
Lord I will stay here
I'm holding You, Your holding me
F#m
This is the place, that I want to be
Close to Your heart, hearing Your voice
Lord I will stay here

BRIDGE:

You are good
You are good
And Your love will never fail
Never fail for You are good
