INTRO: | Bm | G | Em | A | X2

VERSE 1:

Bm **G**
I was at the end of myself
Em **A**
My heart was searching for the truth
Bm **G**
I came to drink from the well
Em **A**
But the one I was thirsting for is You

PRE-CHORUS:

Bm **G** **Em**
The perfect moment
A
Exactly where You needed to be
Bm **G** **Em**
You came and immersed me
A **G** **A**
I realised that You're all that I need
G **A**
I realised that You're all that I need

CHORUS:

Bm-G-D
And I love You
A **Bm-G-D**
With all my heart and I need You
D/F# **G** **A** **Bm**
I came to life in Your living waters
D/F# **G** **A**
I'll never thirst again, I'll never thirst again

VERSE 2:

Bm **G**
The moment that Your words hit my heart
Em **A**
All I was searching for was found
Bm **G**
Beneath the weight of Your love
Em **A**
All of these walls came crashing down

PRE CHORUS 2:

Bm **G** **Em**
A brand new beginning
A
Exactly who You called me to be
Bm **G** **Em**
Refreshed in Your presence
A **G** **A**
And now I know You're all that I need
G **A**
And now I know You're all that I need

BRIDGE:

G **A**
In Your rain, I'm swept away
Bm **D/F#**
Let it fall down on me, let it fall down on me
G **A**
From head to toe, let it flow
Bm **D/F#**
Let it fall down on me, let it fall down on me

ALT-CHORUS:

G-A-Bm
And I love You
D/F# **G-A-Bm**
With all my heart and I need You
D/F# **G** **A** **Bm**
I came to life in Your living waters
D/F# **G** **A** **(PAGE 2)**
I'll never thirst again, I'll never thirst again
