

ANDY HARRISON BIO

Andy Harrison is the Youth Pastor of PlanetBoom, the Youth Ministry of Planetshakers Church in Melbourne, Australia. Andy and his wife Susannah are passionate about seeing teenager's lives transformed by the power of God, so that they are able to find their purpose and are empowered to win the lost and impact their world. Over more than a decade, PlanetBoom has welcomed thousands of high school students through its doors, and seen thousands make decisions to give their lives to Jesus. Under Andy's leadership, Planetboom cares for thousands of teenagers and sees hundreds attend their services and events each week. Andy is an influential and effective communicator; his heart for worship and his desire to see people encounter God is contagious and will inspire others to hunger after God in a new way. Andy is also the drummer for the Planetshakers Band, and travels the world bringing a fresh and powerful sound of praise and worship.
