Not looking to the left or right
Lord I'm gonna fix my eyes
On you
Not worried bout the wind or waves
Not listening to what they say
Just you

In every season You remain the same
Unchanging, unailing
In every situation, I will praise
I'm still standing, I'm still standing

I reach out to You
The one my hope is anchored on
And I look to You
The one who reigns above the storm
I'm holding on to You

Even in the darkest hour
I can feel Your grace and power
With me
Jesus You are powerful
And You have overcome it all
For me

My perspective is Jesus

To worship and to praise
