CHORUS 1:

You got me like ohhhh
Yeah You make me feel so alive
You got me like ohhhh
And I'll never stop giving my all
Just thinking how blessed I am
This is the best time
To show the world I'm crazy about You
You got me like ohhhh
Yeah You make me feel so alive

VERSE 1:

Cm
Right about now is a good time
To stop, and have a good time
Ima be up in here having some God time
And You're good on the genuine, Like
Illumination, illumination
You light up my life like You lit up creation
Won't let me drown, You my floatation
Won't let me thirst cause You my hydration
So ima do my dance in Your arms
This love is gonna last in Your arms
You're everything to me, everything I need
Everything I wanna be, JC

VERSE 2:

Cm
Never gonna need another reason
Who You are is reason enough
You're God of all eternity and heaven above
Your joy is strong, Your love goes on and on and
on and on and on
Some ima come in Your gates, thanks, courts,
praise
I don't ever wanna be any other place
In Your vicinity is where I will stay
You're good when it's frosty and good in the blaze
You're good in the darkness and good in the day
You're good all the time, what else can I say
You're worthy of even the highest of praise
So every day, ay
