♩ = 124 4/4

Words & Music by Joth Hunt

VERSE 1

How could I
Thank the One who saved my life
When there is no words
To express what You deserve

PRE-CHORUS

For You deserve the greatest
Lifted up the highest
You're worthy of my everything

CHORUS

This is why I praise
'Cause You're worthy of all my praise
In everything I do and I all that I go through
I give You all my praise

TAG

I gotta praise

VERSE 2

I lift my voice
To You I make a joyful noise
For You've been so good
I'd give You the whole world if I could

BRIDGE

For setting me free
Lord I've got to praise You
For meeting my needs
Lord I've got to praise You
For healing me
Lord I've got to praise You
For loving me
Lord I've got to praise You
