Music by Joth Hunt
Words Joth Hunt & Sam Evans

VERSE 1

I can feel power here
I know it's real, God You are in this atmosphere
I can hear angels sing
Lifting You up, and giving glory to the King

PRE-CHORUS

For holy are You God
Holy are You God

CHORUS

I stand in awe
Lost in Your love, God You are beautiful
I give my all
My heart is Yours, it's You that I'm living for

VERSE 2

A moment here, here with You
More precious than anything I could ever dream
Your presence is everything
It's better than anywhere I have ever been

TAG

My heart is Yours
It's You that I'm living for

BRIDGE

There is power in the name of Jesus
Every limitation bows to You
There is freedom in the name of Jesus
Every stronghold will be removed

I can hear the sound of chains, they're breaking
Every victory belongs to You
So I'm lifting up the name of Jesus
And I'm giving all the praise to You

TAG 2

I lift Your name on high
I lift Your name on high
I lift Your name on high
I live to worship You
I live to worship You

TAG 3

I live to worship You
I live to worship You
I live to worship You
I live to worship You
I stand in awe of You
