---

## VERSE 1

Looking through the lens  
Of a love that never ends  
How great it is  
You came into my life  
And now everything is bright  
How great it is

## PRE-CHORUS

I'm livin, livin, livin, livin, livin, livin,  
    livin my best life  
Cause I'm livin, livin, livin, livin, livin, livin,  
    live for the most high

## CHORUS

You are the way and the truth  
    and life You are  
You are the way and the truth  
    and life You are  
You are the way and the truth  
    and life You are  
Everything is better with You

## VERSE 2

Walking through this life  
With the best on my side  
How great it is  
I'll always go Your way  
And that's never gonna change  
How great it is

## BRIDGE

Slide to the left  
Slide to the right  
Give Him all you got now  
Give Him all your praise now

## RAP

You are the way, today, and every day  
You never change, in every age  
You are the same as yesterday and  
Yes I praise forever and ever  
I'll never forget You  
Cos I'm livin livin livin my best,  
With the best, yes, I am blessed  
Doesn't matter the test  
Cos I got my HD when I got my JC  
Now I'm livin livin free, livin livin like a king  
Come and live it up with me
