

Fall On Me

J = 128

Words & Music by Joth Hunt

HEAD:

Gm F | Gm F | F/A Bb | F/A Bb
Gm F | Gm F | Bb/D Eb | Bb/D Gb

VERSE 1:

Even where there's dryness
There's a silver lining
'Cause changing is the climate
There's flashes of Your lightning

PRE-CHORUS:

So I run into, the downpour of Your perfect love
I run to You, I'm holding on I won't let go

CHORUS:

Let Your rain come and fall on me now
Let Your rain come and fall on me
Come and fall on me, 'cause You're all I need now

VERSE 2:

This atmosphere is open
Miracles are flowing
You are here, I know it
It's a supernatural moment

BRIDGE:

I'm dancing in Your rain, in showers of Your glory
I'm giving You the praise (giving You the praise)
I'm dancing in Your rain, everything has changed
I'll never be the same (I'll never be the same)

ALTERNATE BRIDGE:

I'm dancing in Your rain, in showers of Your glory
I'm giving You the praise (giving You the praise)
I'm dancing in Your rain, everything has changed
I'll never be the same (I'll never be the same)
