INTRO: | G | D/F# | Am | D |

VERSE 1:

What else could I want, what else could I need
There's one thing I ask for, one thing I seek
To dwell in Your presence, to look on Your face
You flood my awareness, as I lean into grace

BRIDGE:

I'm leaning in, I'm drawing closer
I'm letting go, Lord I surrender
Now I receive, the grace that you carry
You're all I want

PRE-CHORUS:

Am G D
Jesus anointed one

CHORUS:

It's You that I want, it's You that I love
This world has nothing I desire but You
It's You I adore, and all my heart is Yours
Every breath to worship You

TAG: (X2)

It's You I adore, It's You I adore
It's You I adore
